SUBJECT: Fiscal Year 2008 PEBB Program Rates - Composite

Starting July 1, 2007 (FY08), the monthly employer funding rate is \$707.00. The funding rate is the same for both Health Care Super Coalition represented and non-represented employees. These rates were established in the 2007 – 2009 Operating Budget (Chapter 522, 2007 Session Laws PV). This rate covers benefits under the Public Employees Benefits Board (PEBB) program.

Employee contributions, COBRA, and self-pay rates will remain the same until January 1, 2008, when the new plan year begins. You will receive these revised rates before open enrollment this fall.

The employer funding rate does not represent the actual cost of providing benefits to employees during the calendar year. The amounts shown below are the breakout of the current funding rate, which may vary from the actual costs.

| Benefit | Funding Rate Breakdown |
|--------------------|------------------------|
| Medical | \$ 628.14 |
| Dental | \$ 72.00 |
| Life | \$ 4.41 |
| LTD | \$ 2.45 |
| Total Funding Rate | \$ 707.00 |
