TO: Personnel, Payroll, and Insurance Offices of K-12 School Districts and ESD's

FROM: Steve Norsen
Manager, PEBB Outreach & Training Team

SUBJECT: Revised Fiscal Year 2009 PEBB Program Rates – Composite

The K-12 and Educational Service Districts' (ESD) base rate of \$561.00, the majority of the basis for the composite rates, will remain unchanged until July 1, 2009. **However, the employees' (minimum) monthly contributions will change January 1, 2009 based on new contracts with health plans.** Attached as Exhibit 1 you will find the composite active rates for K-12 and ESD's, by plan.

Effective January 1, 2009, employee optional life and long term disability (LTD) insurance rates will decrease. The new rate schedule for life and LTD insurance is enclosed as Exhibit 2 and 3.

This year, Open Enrollment will run from October 27 – November 30, 2008. In early October, the Public Employees Benefit Board (PEBB) program will publish these monthly contributions in the *For Your Benefit* newsletter. This newsletter is the employees' only printed open enrollment information. However, information will also be available on the PEBB web site at www.pebb.hca.wa.gov prior to the start of open enrollment. Employees who make an on-line plan change using E-Coverage will not see a premium rate. Instead, a pop-up box will prompt them to contact their personnel or payroll office for premium information. To support their decisions, you will want to distribute 2009 monthly premiums for your own employees before open enrollment, so they can have those available when making a plan selection.

If you have an IRS Section 125 Plan that allows employee premium dollars to be treated as a pre-tax deduction, you know that if an employee's qualified domestic partner or their partner's child(ren) does not qualify as an IRS dependent, a portion of the premium employers pay toward the family's coverage is considered taxable income to the employee. To assist you, we have included examples of how the state calculates these amounts for state agency personnel. [Tables 1-7] These tables should only be used as a template in developing calculations that are based on your employer contribution rate.

If you have questions about the rates, please contact me at (360) 412-4201 or steve.norsen@hca.wa.gov.
