(Political Subdivisions)

FROM: Steve Norsen, Manager

SUBJECT: Revised Fiscal Year 2013 Program Rates – Composite

The total premium due from your agency will increase effective January 1, 2013. The base rate of \$800, the majority of the basis for the composite rates, will remain unchanged until July 1, 2013. However, total monthly premiums will change due to new contracts with the health plans. The new composite rates for Employer Groups (Political Subdivisions) by plan are enclosed. Employer Groups have the option to determine how much of the total premium employees are required to pay.

Employee optional life and long-term disability (LTD) insurance rates will remain the same for 2013. The rate schedule for life and LTD insurance is also enclosed.

Open enrollment will run November 1 – November 30, 2012. In early October, employees will receive the *For Your Benefit* newsletter with open enrollment information. This newsletter is the only notice we send employees about open enrollment. Details will also be available on the PEBB website at www.pebb.hca.wa.gov before the start of open enrollment. Employees who make a health plan change online during open enrollment will not see a premium rate. Instead, a pop-up box will prompt them to contact their personnel or payroll office for premium information. To support their decisions, you may want to distribute information regarding how much your employees are expected to pay in 2013 monthly premiums before open enrollment so they can have it available when making a plan selection.

If you have an IRS Section 125 Plan that allows employee premium dollars to be treated as a pre-tax deduction, note that if an employee's non-tax qualified dependents do not qualify as IRS dependents, a portion of the premium employers pay toward the family's coverage is considered taxable income to the employee. To assist you, we have included examples of how the state calculates these amounts for state agency personnel [Tables 1-7]. These tables should only be used as a template in developing calculations that are based on your employer contribution rate.

If you have questions about these rates, please contact me at 360-725-0831 or steve.norsen@hca.wa.gov.
