SUBJECT: Calendar Year 2020 Rates – Tiered – Medical Only

Medical/Vision Insurance

Based on new contracts with the health plans, the revised rates for medical and vision coverage effective January 1, 2020 are attached. As the employer, you determine the portion of the total premium your employees are required to pay.

Employer Group Rate Surcharge

Senate Bill 6475 passed during the 2016 legislative session and described in RCW 41.05.050(2) requires participating counties, municipalities, other political subdivisions, and tribal governments incur an employer group rate surcharge. The employer group rate surcharge is applied to the monthly rate (included on the attached rate sheet).

PEBB Program Open Enrollment

The Public Employees Benefits Board (PEBB) Program open enrollment is November 1-30. In October, the PEBB Program will mail the *For Your Benefit* newsletter to employees at the address on record, or will send it electronically to those who subscribe to email subscription. This is the only notice the PEBB Program will send to employees about open enrollment. Information will be available on the [PEBB Program website](#) before the start of open enrollment.

Employees who make an online plan change using *My Account* will not see a premium rate. Instead, a pop-up box will prompt them to contact their personnel, payroll, or benefits office. To support their decisions and address the questions they may have, you may want to distribute information to your employees before the PEBB Program open enrollment starts regarding premiums they will be expected to pay for 2020.

Premium Surcharges

The tobacco use premium surcharge will remain at \$25 per-account per month in addition to the monthly premium, regardless of the number of tobacco users in the family.

The spouse or state-registered domestic partner coverage premium surcharge will remain at \$50 per month in addition to the monthly premium for subscribers who cover a spouse or state-registered domestic partner in PEBB medical insurance where the spouse or state-registered domestic partner has chosen not to enroll in their own employer-based group health insurance that is comparable to the Uniform Medical Plan (UMP) Classic.

Employees who cover a spouse or state-registered domestic partner on their 2020 medical coverage may be required to attest to the spouse or state-registered domestic partner coverage premium surcharge during the PEBB Program open enrollment. The PEBB Program will notify the employees of the need to attest.

Additional Taxable Income for Non-Tax Qualified Dependents

If you have an IRS Section 125 Plan that allows employee premium dollars to be treated as a pre-tax deduction, a portion of the premium employers pay toward the family's coverage is considered taxable income to the employee if the employee has dependents enrolled who do not qualify as an IRS tax dependent. To assist you, we have included examples of how the state calculates these amounts for state agency personnel [Tables 1-7]. These tables should only be used as a template in developing calculations that are based on your employer contribution rate.

If you have questions about the rates, please contact me at (360) 725-0826, or amy.corrigan@hca.wa.gov.
