Eligibility

All employees eligible to enroll as a subscriber in PEBB benefits as defined in WAC 182-12-114 are eligible for basic LTD, unless the employer does not participate in LTD. Basic LTD is paid by the employer. Most employees are also eligible to enroll in optional LTD coverage, which is paid by the employee.

Employees eligible for basic LTD only include:

- Seasonal employees who work a season that is less than nine months
- Port Commissioners

Seasonal employees and employees on leave or temporarily working reduced hours

Employees who work a season of nine months or more are eligible for the employer contribution for basic LTD through the off season following each season worked. Seasonal employees (working nine months or more per year) are also eligible for optional LTD coverage. The employer is responsible for collecting the employee premium for basic and optional LTD during the employee’s off season. The optional LTD premium collected during the off season is based on the employee’s monthly base salary during the nine months or more the employee worked.

The employer is also responsible for collecting optional LTD premiums while an employee is in LWOP status or temporarily working reduced hours. The optional LTD premiums in these circumstances are calculated based on the amount taken in a month in which the employee was in full pay status.

Application Procedures

Carrier approval is not required when:

The employee:

- Submits the Long-Term Disability Enrollment/Change form no later than 31 days after the date of initial eligibility; or
- Requests to increase the waiting period for their optional coverage.

Employer procedures:

1. Review the LTD Enrollment/Change form for accuracy. Ensure the employee has completed the appropriate sections and signed and dated the form.
2. Complete Section 4: Agency/Carrier Information of the form. Include the following information: Current Agency Hire Date, Employee’s Monthly Earnings, Initial Eligibility Date, Employee’s Current Coverage, and the Effective Date of Optional Coverage, when no approval is required.

3. Update the A.46 LTD screen in the PAY1 insurance system with the requested coverage and effective date. Refer to the PAY1 System Manual for instructions.

- Basic LTD coverage is effective the first of the month following the date of eligibility. If the date of eligibility is the first working day of the month, coverage begins that day.

- Optional LTD coverage is effective the first of the month following the signature date on the form. If the employee submits their form after 31 days of gaining eligibility but receives carrier approval, the effective date is the first of the month following the approval date.

Note: Employer groups who do not key in the insurance system must send a copy of the form(s) to PEBB Outreach and Training for keying. Keep the originals of all forms for the employee’s file.

4. File the original enrollment/change form in the employee’s file.

Note: Do not forward the enrollment form to Standard.

Carrier approval is required when:

The employee:

- Applies for coverage after the first 31 days of initial eligibility; or
- The employee requests to decrease the waiting period.

The employee must complete both the LTD Enrollment/Change form and the Evidence of Insurability form. The LTD Enrollment/Change form must be submitted to the employee’s agency and the Evidence of Insurability form to Standard for approval.

Employer procedures:

1. Review the LTD Enrollment/Change form for accuracy. Ensure that the employee has completed the appropriate sections and signed and dated the form.

2. Complete Section 4: Agency/Carrier Information of the form. Include the following information: Current Agency Hire Date, Employee’s Monthly Earnings, Initial Eligibility Date, and the Employee’s Current Coverage.
3. Update the A.46 LTD screen with the requested coverage and effective date. Refer to the PAY1 System Manual for instructions. The coverage will pend for approval. If you are unable to key the pending coverage for any reason, please send a message to PEBB Outreach and Training through FUZE.

*Note:* Employer groups who do not key in the insurance system must send a copy of the form(s) to PEBB Outreach and Training for keying. Keep the originals of all forms for the employee’s file.

4. Remind the employee to send the *Evidence of Insurability* form to Standard. If the employee submitted the form to you with the enrollment/change form, send the *Evidence of Insurability* form to the carrier.

*Note:* Standard Insurance Company no longer requires a copy of the enrollment/change form when carrier approval is required.

5. File the original enrollment/change form in the employee’s file.

**After the carrier decision:**

1. The employer and employee will receive a Final Action Notice (FAN) from Standard when the underwriting of the application has been completed.

2. Review the FAN for accuracy and verify the coverage required approval. Verify the approved waiting period matches the waiting period on the employee’s enrollment/change form and the pending waiting period keyed into the PAY1 insurance system. Contact Standard if approval was not required or if the waiting period is incorrect.

3. Key the approval, denial, or closure into the PAY1 insurance system. Refer to the PAY1 System Manual for instructions. The effective date is the first day of the month following the approval date.

*Note:* Employer groups who do not key in the insurance system must send a copy of the carrier decision to PEBB Outreach and Training for keying. Keep the original of all decisions for the employee’s file.

4. Once coverage has been keyed, attach the employer copy of the FAN to the *LTD Enrollment/Change* form and place in the employee’s file.
**LTD Final Action Notices (FAN)**

A FAN will be issued by Standard when:

- An employee requests optional LTD after the initial period of eligibility, or
- An employee chooses to decrease the waiting period.

The employee must submit an *Evidence of Insurability* form to Standard in both cases. When Standard makes a decision, a FAN will be issued to the agency and the employee.

The FAN indicates if the coverage is approved, denied, or the request is closed. A request may be closed if Standard does not receive all requested information from the employee in a timely manner. Standard may re-open a closed request when it receives the information.

Below are some special circumstances that may arise upon receiving the FAN:

1. **LTD coverage was declined, but employee enrolled no later than 31 days after the date of eligibility**.
   
   When you receive a FAN, check the hire date and the date the employee signed the enrollment form. Approval is not required when the employee submits the form no later than 31 days after the date of eligibility. If you receive a FAN for an application that did not require approval, call Standard, explain the situation, and request Standard change their records. If the waiting period has not been keyed, key the coverage with an effective date of the first day of the month following the signature date on the form. If back premiums are due, notify the employee and HCA Accounting. Collect the back premiums.

2. **The waiting period that Standard approved does not match the waiting period keyed into PAY1**.
   
   Refer back to the employee’s enrollment/change form. Verify waiting period with Standard. If the waiting period keyed into the system is incorrect, correct the waiting period when you key the approval. If the waiting period on the FAN is incorrect, explain the situation to Standard and request a new FAN.

3. **Receive the FAN and a copy of the enrollment/change form, or only receive a copy of the enrollment/change form**.
   
   A checkmark indicating approval, denial, or pending is located in the bottom right-hand corner of the enrollment/change form (in the Standard Insurance Company Box). If a decision is pending, it means there is incomplete information. Key the decision the same as you would a FAN. If you receive the FAN at a later date, verify the decision was keyed and place the FAN in the employee’s file.
4. Receive a closure or denial. At a later date, receive an approval, overturning the previous decision.
Key the new decision into the PAY1 system (as long as it is not on the same day you keyed the previous decision). If you have any questions, contact Standard. If back premiums are due, notify the employee and HCA Accounting and collect the back premiums.

*First 31 days of eligibility – The 31 days begins on the employee’s first day of work in a benefits-eligible position. For example, if an employee is hired on July 1, their LTD form must be submitted by July 31. Basic coverage would begin July 1 and optional coverage would begin August 1.

Approved LWOP

Employees leaving work on approved leave

Employees who leave work on approved leave and are not using eight hours of pay status (5% of full-time for faculty) each month while on leave are not eligible to continue their LTD coverage. However, the following employees are eligible to self-pay their basic and optional LTD coverage while on leave:

- Employees on approved educational leave, and
- Employees called to active military duty (USERRA leave)

If the employee does not continue their LTD while on educational or USERRA leave, the employee will be required to submit an Evidence of Insurability form for carrier approval in order to reinstate their optional LTD coverage when they return.

Eligible employees who continue LTD coverage while on approved educational leave or USERRA leave may do so for up to 29 months.

Employees Returning from Approved Leave

Employees not eligible to continue their LTD coverage while on leave

When the employee returns from leave, in the PAY1 insurance system:

1. Reinstates basic LTD effective the first day of the month in which the employee is in pay status 8 or more hours in the month.
2. Reinstates the same optional waiting period the employee had prior to leave effective the first day of the month following the month in which the employee is in pay status 8 or
more hours in the month. **Note:** Employees who maintain their benefit eligibility by using eight hours of pay status (5% of full-time for faculty) each month while on leave are eligible to continue their basic and optional LTD coverage. Premiums while on leave are based on the employee's salary prior to leave.

**Employees eligible to continue their LTD coverage while on approved educational leave or USERRA leave**

When the employee returns from leave:

1. Verify the employee continued LTD by self-paying the premiums to HCA during their leave.
   
   **If the employee self-paid their LTD coverage,** reinstate basic and optional LTD effective the first day of the month in which the employee is in pay status 8 or more hours in the month.

2. **If the employee did not self-pay their LTD coverage,** reinstate their basic LTD effective the first day of the month following the month in which the employee is in pay status 8 or more hours in the month. Advise employee they must submit the **LTD Enrollment/Change** form to their agency and an **Evidence of Insurability** form to Standard for approval to re-enroll in optional LTD coverage. Optional LTD coverage that requires carrier approval is effective the first day of the month following approval from the carrier.

**Claim Procedures**

LTD claims should be filed as soon as the employee's last day (physically) on the job is known. Do not wait for the waiting period or leave to be exhausted to file the claim.
