SUBJECT: Fiscal Year (FY) 2017-18 PEBB Program Rates--Composite

Beginning July 1, 2017 through June 30, 2018, your employer base rate will be \$913 per active employee per month. These rates were established in the SSB 5883 65th Legislature, 2017 2nd Special Session and cover benefits administered by the Health Care Authority (HCA) through the Public Employees Benefits Board (PEBB) Program.

This change does not impact employers on “tiered rates,” employee contributions, COBRA/Continuation coverage (LWOP) rates, which remain the same until January 1, 2018, when the new plan year begins. You will receive 2018 rates in the fall, prior to the PEBB Program open enrollment.

In addition to the employee medical plan premium, employees may be subject to a monthly \$25-per-account tobacco use and/or \$50 spousal or registered domestic partner coverage premium surcharge.

As a reminder, you must pay the full employer base funding rate for every eligible employee as outlined in Title 182 WAC, including for those who waived medical coverage. Employee contributions will automatically be added to your billed rate. You are responsible for collecting employee contributions and applicable premium surcharges and sending the total billed amount to the HCA.
