

Dual enrollment matrix

SEBB Program

The SEBB Program will enroll or disenroll school employees and/or their dependents as described in the tables below (per WAC 182-31-070(6)). Changes are effective January 1, 2022.

If the school employee is enrolled in... Then...

SEBB dental and/or vision only, and as a dependent in PEBB medical	They will keep PEBB medical and be disenrolled from SEBB dental and/or vision.
SEBB medical, and as a dependent in PEBB medical	They will keep SEBB medical and be disenrolled from PEBB medical.
SEBB medical and PEBB medical (both as a subscriber)	They will stay enrolled in the program you have been enrolled in the longest and be disenrolled from the other program.
SEBB vision (with or without SEBB dental) and PEBB dental only (both as a subscriber)	They will keep SEBB vision (and SEBB dental if enrolled) and be disenrolled from PEBB dental.

If the school employee's dependent is enrolled in... Then...

SEBB medical, SEBB dental, and/or SEBB vision, and as a subscriber in PEBB medical	They will keep PEBB medical and be disenrolled from the school employee's SEBB coverage.
SEBB medical and PEBB medical (both as a dependent)	They will keep enrollment in the program they have been enrolled in the longest and disenrolled from the other program.
SEBB vision (with or without SEBB dental) and PEBB dental only (both as a dependent)	They will keep SEBB vision (and SEBB dental if enrolled) and be disenrolled from PEBB dental.

If the school employee's dependent is disenrolled from their PEBB dental (as an employee) to stay on the school employee's SEBB medical, they will also be enrolled in the school employee's SEBB dental and vision if not already enrolled.
