

PEBB Medical and Dental Plan Codes

Use these codes on the A.44 screen in the PAY1 system to identify the employee's plan choice.

Pay1 will automatically assign a "W" after an employee's medical plan code, which indicates the employee earned the wellness incentive. You do not need to key the wellness code, even if the employee changes plans mid-year.

Medical plan codes		
Plan code	Wellness code	Plan name
C	CW	Kaiser WA Classic
C1	C1W	Kaiser WA SoundChoice
