SUBJECT: Fiscal Year (FY) 2025-26 PEBB Program Rates – Composite

**Beginning July 1, 2025, your employer base rate will be \$1,333 per employee per month.** These rates were established in ESSB 5167, passed during the 69th Legislature's 2025 Regular Session, which outlines funding levels for public employee benefits and cover benefits administered by the Health Care Authority (HCA) through the Public Employees Benefits Board (PEBB) Program.

This change does not impact employers on “tiered rates” (rates that vary based on employee enrollment tier), the employer group rate surcharge, or PEBB Continuation Coverage (COBRA and unpaid leave) rates, which remain the same until January 1, 2026, when the new plan year begins. You will receive notification of the 2026 rates in the fall, prior to the PEBB Program open enrollment.

In addition to the employee medical plan premium, employees may be subject to the following monthly surcharges:

- \$25 per account for tobacco use
- \$50 for spouse or state-registered domestic partner coverage

As a reminder, you must pay the full employer base-funding rate for every eligible employee as outlined in Title 182 WAC, including for those who waive medical coverage. Employee contributions will automatically be added to your billed rate, based on the selected medical plan and any applicable surcharges. For details on how these amounts are calculated, please refer to the PEBB Program rate table below. You are responsible for collecting employee contributions and applicable premium surcharges and sending the total billed amount to the HCA.
