## Enrollment is coming!

March 1, 2019 through March 31, 2019.

Don't let this special, one-time open enrollment opportunity pass by without finding out how Optional Long-Term Disability (LTD) insurance can protect you and your family from an unexpected loss of income. LTD insurance pays a monthly benefit in the event of illness or injury, and premiums are conveniently deducted from your paycheck.

In March 2019, you can enroll in Optional LTD or reduce your waiting period **without** providing evidence of insurability (proof of good health).

## Take time to learn more about your PEBB benefits.

If you have not enrolled in Optional LTD insurance in the past, or did not want to provide evidence of insurability, now is a great time to revisit this PEBB benefit.

To learn more about this one-time open enrollment opportunity for Optional LTD, visit **[www.hca.wa.gov/ltd](http://www.hca.wa.gov/ltd)**.
