Center for Medicaid and State Operation

APR 26 2006

Robin Arnold-Williams
Secretary
Washington State Department of Social and Health Services
Post Office Box 45010
Olympia, WA 98504-5010

Dear Secretary Arnold-Williams:

We have reviewed Washington State Plan Amendment (SPA) 06-005 received in the Seattle Regional Office on April 3, 2006. Under this Amendment, the State of Washington proposes to amend its State Plan to reflect that Medicaid beneficiaries who are entitled to receive Medicare benefits under Part A or Part B will no longer receive their pharmacy benefits under the State Medicaid Program, except for excluded drugs. Under excluded or otherwise restricted drugs or classes of drugs, or their medical uses, this Amendment also includes coverage for selected drug categories for all Medicaid recipients, including full benefit dual eligible beneficiaries under the Medicare Prescription Drug Benefit-Part D.

Based on the information provided, we are pleased to inform you that Washington SPA 06-005 is approved, effective April 1, 2006. The Seattle Regional Office will forward to you a copy of the CMS-179 form, as well as the pages approved for incorporation into the Washington Medicaid State Plan.

If you have any questions regarding this amendment, please contact Bernadette Leeds at (410) 786-9463.

Sincerely,

[Signature]
