EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The agency adopted WAC 182-513-1110 anticipating federal government approval from the Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS). Currently CMS has approved presumptive eligibility for long-term services and supports (LTSS) in the person's home, but not in an alternate living facility. Because federal funding is not yet available, the agency is amending the rule to remove language related to LTSS in an alternate living facility and intends to restore that language through future rulemaking upon CMS approval.
