RE: Washington State Plan Amendment (SPA) Transmittal Number 12-013

Dear Mr. Porter:

The Centers for Medicare & Medicaid Services (CMS) Seattle Regional Office has completed its review of State Plan Amendment (SPA) Transmittal Number 12-013. This amendment increases the rate paid to Adult family and licensed boarding homes contracted to provide assisted living and enhanced adult residential care and services. This increase was necessitated by the passage of initiative 1163, which increased training, certification and background check requirements for providers. This SPA is approved with an effective date of May 1, 2012.

If you have any additional questions or require any further assistance, please contact me, or have your staff contact James Moreth at (360) 943-0469 or James.Moreth@cms.hhs.gov.

Sincerely,

Carol J.C. Peverly
Associate Regional Administrator

POLICY AND METHODS USED IN ESTABLISHING PAYMENT RATES FOR EACH OF THE OTHER TYPES OF CARE OR SERVICE LISTED IN SECTION 1905 (A) OF THE ACT THAT IS INCLUDED IN THE PROGRAM UNDER THE PLAN (cont.)

XV. Personal Care Services (cont)

B. Service Rates

The fee schedule was last updated May 1, 2012, to be effective for dates of service on and after May 1, 2012.

Effective Jan. 1, 2008, the standard hourly rate for individual-provided personal care is based on comparable service units and is determined by the State legislature, based on negotiations between the Governor's Office and the union representing the workers. The rate for personal care services provided by individual providers consists of provider wages and benefits. Benefits include health insurance, training, and industrial insurance.

The rate for personal care services provided by agencies is based on an hourly unit. The agency rate determination corresponds to the rate for individual providers with an additional amount for employer functions performed by the agency.

The rate for personal care provided in boarding homes is based on a per day unit. Each participant is assigned to a classification group based on the State's assessment of their personal care needs. The daily rate varies depending on the individual's classification group. The rates are based on components for provider staff, operations, and capital costs. The rate paid to residential providers does not include room and board.

The rate for personal care provided in an adult family home is based on a per day unit and is determined by the State legislature, based on negotiations between the Governor's Office and the union representing Adult Family Homes.
