RE: Washington State Plan Amendment (SPA) Transmittal Number 15-0035-ABP (MMDL 2038)

Dear Ms. Teeter and Ms. Lindeblad:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of State Plan Amendment (SPA) Transmittal Number 14-0035-ABP. This SPA amends the Alternative Benefit Package (ABP) for the new adult expansion group to account for programmatic changes made to the State Plan in 2015, subsequent to its original approval including services provided through the Community First Choice State Plan Option approved in WA-15-0002; and specialized add-on services for certain nursing facility residents to assist them to achieve a higher functional level and independence to support their return to the community as approved in WA-15-0012. Washington is an alignment state. This filing brings the ABP benefit package into alignment with the State Plan for 2015.

The SPA is approved effective July 1, 2015.

If you have any additional questions concerning this SPA or require further assistance, please contact me or have your staff contact Kendra Sippel-Theodore at (206) 615-2065 or kendra.sippel-theodore@cms.hhs.gov.

Sincerely,

Please describe the implementation plan for the Alternative Benefit Plan under managed care including member, stakeholder, and provider outreach efforts.

A review of the benefits under the ABP has been provided to the managed care plans and additional meetings to discuss implementation were conducted. We worked with the plans to develop member and provider communication, including HCA's client and provider communication webpages. In addition we revised our Washington State Administrative Code (WAC) and Provider Guides, as indicated, to reflect the new benefits changes which convey our new related policies. This information is available to our stakeholders and members.
