The following Questions and Answers apply to RFP 15-036:

Q1: If Proposers understand correctly, the Health Care Authority (HCA) would like Proposers to bid on an annual TPA fee based on 144,000 members and 600 Total Joint Replacements (TJR). Please clarify what will happen if the number of TJRs is less or more than 600 TJR.

Q2: Please clarify whether the annual fee a Proposer provides for all requested TPA services will apply for all 4 years of the contract.

A2: HCA anticipates that this will be discussed during the contract negotiation phase with the Awarded Contractor.

Q3: Please discuss what would happen if a provider states that a patient meets the Bree Criteria, but after post review, they it as found that the patient did not meet some of the criteria.

A3: HCA anticipates discussing this with the Awarded Contractor and to advise HCA on processes that need to be in place to avoid these types of situations.
