 Creatures in the Wild

The Tigrigna language uses a combination of vowels and consonants to form words. This page appears to be a page from a document, possibly a guide or a list, given the specific items listed.

The text mentions a website and phone numbers, which are presumably for contact or further information about the creatures. The list includes specific names and codes that might correspond to types of creatures.

Here's a transcription of the text:

** Creatures in the Wild **
