RE: TN 25-0011

Dear Director Fotinos:

The Centers for Medicare & Medicaid Services (CMS) has reviewed the proposed Washington state plan amendment (SPA) to Attachment 4.19-B WA 25-0011, which was submitted to update the effective date of the fee schedule for Home and Community Based Services (HCBS), Adult Family Home daily rate, the Assisted Living Facility daily rate, the Adult Day Health daily rate, the Agency Provider hourly rate, and the Consumer Directed Employer (CDE) rate.

We reviewed your SPA submission for compliance with statutory requirements including in sections 1902(a)(2), 1902(a)(13), 1902(a)(30), and 1903 as it relates to the identification of an adequate source for the non-federal share of expenditures under the plan, as required by 1902(a)(2), of the Social Security Act and the applicable implementing Federal regulations.

Based upon the information provided by the state, we have approved the amendment with an effective date of January 1, 2025. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact DRR analyst James Moreth at (206) 615-2043 or via email at James.Moreth@CMS.HHS.GOV.

Sincerely,

Todd McMillion

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

STATE: WASHINGTON

POLICY AND METHODS USED IN ESTABLISHING PAYMENT RATES FOR EACH OF THE OTHER TYPES OF CARE OR SERVICE LISTED IN SECTION 1905 (A) OF THE ACT THAT IS INCLUDED IN THE PROGRAM UNDER THE PLAN (cont.)

XV. Personal Care Services (cont)

B. Service Rates

The fee schedule was set as of January 1, 2025, to be effective for dates of service on and after January 1, 2025.

State-developed fee schedule rates are the same for both governmental and private providers of the same service. See 4.19-B.I. General, for the agency's website where the fee schedules are published.

Effective Jan. 1, 2008, the standard hourly rate for individual-provided personal care is based on comparable service units and is determined by the State legislature, based on negotiations between the Governor's Office and the union representing the workers. The rate for personal care services provided by individual providers consists of wages, industrial insurance, paid time off, mileage reimbursement, comprehensive medical, training, seniority pay, training-based differentials, and other such benefits needed to ensure a stable, high performing workforce. The agreed-upon negotiated rates schedule is used for all bargaining members.

The rate for personal care services provided by agencies is based on an hourly unit. The agency rate determination corresponds to the rate for individual providers with an additional amount for employer functions performed by the agency.

The rate for personal care provided in assisted living facilities is based on a per day unit. Each participant is assigned to a classification group based on the State's assessment of their personal care needs. The daily rate varies depending on the individual's classification group. The rates are based on components for provider staff, operations, and capital costs. The rate paid to residential providers does not include room and board.

The rate for personal care provided in an adult family home is based on a per day unit and is determined by the State legislature, based on negotiations between the Governor's Office and the union representing Adult Family Homes.
