REQUEST FOR PROPOSAL 15-008
APPLE HEALTH – FULLY INTEGRATED MANAGED CARE, A MANAGED
CARE PROGRAM FOR CHILDREN AND ADULTS
AMENDMENT #7

RFP 15-008 is amended to make the following revisions:

1. Correct Proposal Due Date on page one (1) of the Request for Proposal.
 - 1.1. The proposal due date should read October 5, 2015, no later than 2:00 p.m. Pacific Time.
2. Respond to a Bidder question omitted from Amendment 5 as follows:
 - 2.1. QUESTION:

There appears to be a slight error in terminology in RFP question 14 (Exhibit C) below. We suspect the word “accreditation” was used when “credentialing” was intended. Can HCA please confirm?

14. [MS] Provide documentation of the Bidder’s current **accreditations** standards that directly or indirectly support the provision of Culturally and Linguistically Appropriate Services (CLAS) and procedures, and the Bidder’s proposal to modify the Bidder’s network and internal operations, in regards to compliance with Title VI and the National CLAS standards for behavioral health benefits.

ANSWER:

There are no “credentialing” standards for CLAS. The response should be, “See Section 10.3 Cultural Considerations in the FIMC draft contract. Direct your response to how the standards will be promoted.”
