VIII. Other Information

The Public Health Service strongly encourages all cooperative agreement and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the HHS mission to protect and advance the physical and mental health of the American people.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Indian Health Service

Notice of Delivery Area Designation for the Pamunkey Indian Tribe

AGENCY: Indian Health Service, HHS.

ACTION: Notice.

SUMMARY: Notice is hereby given that Indian Health Service (IHS) is establishing the geographic boundaries of the Purchased/Referred Care Delivery Area (PRCDA) (formerly Contract Health Service Delivery Area or CHSDA) for the newly recognized Pamunkey Indian Tribe. The Pamunkey Indian Tribe's PRCDA is to be comprised of Caroline; Hanover; Henrico; King William; King and Queen; and New Kent Counties and the independent city of Richmond in the State of Virginia. The six counties and the one independent city listed are being designated administratively as the PRCDA for the Pamunkey Indian Tribe.

DATES: This notice is effective as of August 28, 2017.

ADDRESSES: This notice can be found at <https://www.federalregister.gov>. Written requests for information or comments submitted by postal mail or delivery should be addressed to: Evonne Barnett-Barnes, Management Analyst, Indian Health Service, 5600 Fishers Lane, Mail Stop: 09E70, Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT: Terri Schmidt, Acting Director, Office of Resource Access and Partnerships, Indian Health Service, 5600 Fishers Lane, Mail Stop: 10E85C, Rockville, MD 20857, (301) 443-2694 (This is not a toll-free number).

SUPPLEMENTARY INFORMATION: The IHS currently provides services under regulations in effect on September 15, 1987, and IHS republished at 42 CFR part 136, subparts A-C. Many of the newly recognized Tribes do not have reservations and either Congress has legislatively designated counties to serve as PRCDA's or the Director, IHS, exercised reasonable administrative discretion to designate PRCDA's to effectuate the intent of Congress for these Tribes. The Director, IHS, publishes a notice in the FR when there are revisions or updates to the list of PRCDA's, including the PRCDA's for newly recognized Tribes.

At 42 CFR 136 subpart C, a PRCDA is defined as the geographic area within which PRC will be made available by the IHS to members of an identified Indian community who reside in the area. The regulations provide that, unless otherwise designated, a PRCDA shall consist of a county which includes all or part of a reservation and any county or counties which have a common boundary with the reservation (42 CFR 136.22(a)(6)).

Residence within a PRCDA by a person who is within the scope of the Indian health program, as set forth in 42 CFR 136.12 creates no legal entitlement

to PRC but only potential eligibility for services. Services needed but not available at an IHS/Tribal facility are provided under the PRC program depending on the availability of funds, the person's relative medical priority, and the actual availability and accessibility of alternate resources in accordance with the regulations.

In the notice published on July 08, 2015 (80 FR 39144), the Pamunkey Indian Tribe was officially recognized as an Indian Tribe within the meaning of Federal law. The purpose of this FR notice is to notify the public of the establishment of the Pamunkey Indian Tribe's PRCDA to include Caroline; Hanover; Henrico; King William; King and Queen; and New Kent Counties and the independent city of Richmond in the State of Virginia.

Under 42 CFR 136.23 those otherwise eligible Indians who do not reside on a reservation but reside within a PRCDA must be either members of the Tribe or maintain close economic and social ties with the Tribe. In this case, the Tribe estimated the eligible user population to be 337 enrolled Pamunkey members who are actively involved with the Tribe.

The Pamunkey Indian Tribe has a state-recognized reservation in King William County, Virginia. A significant number of the Pamunkey eligible user population also reside in the counties of Caroline; Hanover; Henrico; King and Queen; and New Kent Counties and Richmond (Independent City) in the State of Virginia. These six counties and the independent city of Richmond form a contiguous area that does not overlap with any other Tribe's PRCDA. Most of the counties listed have a common boundary with King William County, where the Tribe's state-recognized reservation is located. Henrico County and the independent city of Richmond do not; however, IHS construes the provision set forth in 42 CFR 136.23(a)(6) to apply only to federal Indian reservations and not to state-recognized reservations. Consequently, IHS is administratively establishing the Tribe's PRCDA in accordance with the congressional intention to provide health services "on or near," rather than the specific provision set forth in 42 CFR 136.23(a)(6).

It is important for the Pamunkey Indian Tribe to be able to deliver health care services to Tribal members residing in these six counties and one independent city. The Tribe believes eligible Tribal members are living in each of the counties of the PRCDA, as well as the independent city of Richmond, and that these Tribal members should be eligible for PRC.

The financial resources required to meet the immediate needs of the Tribal members residing in the six counties and the one independent city were determined by the IHS and will be

placed in the Nashville Area PRC budget.

This notice does not contain reporting or recordkeeping requirements subject to prior approval by the Office of

Management and Budget under the Paperwork Reduction Act of 1980.
