

How do I know if this requirement applies to me?

Providers who are able to answer yes to all three of the criteria listed are required to participate and should begin the readiness process

Is your organization part of a Managed Care Organization provider network serving Apple Health Consumers?

1

Does your organization have an Electronic Health Record (EHR) system?

2

Is your EHR 2014 certified by the Office of the National Coordinator for Meaningful Use?

3

- For those meeting all 3 criteria data submission to the Link4Health Clinical Data Repository is REQUIRED to begin no later than February 1, 2017.
- If you do **not** have an EHR and use paper records, you may continue to do so. You **do not** need to purchase an EHR and you are **not required** to submit data at this time.
- If you meet the criteria, but are a **substance use provider or mental health provider**, you are **not required to submit data to the CDR at this time**. However, you **will be required to participate during Stage 2 of the CDR (late 2017 – early 2018)**
- Visit the OneHealthPort website (<http://www.onehealthport.com/prepare-c-cda>) to begin completing readiness activities.
- If you have questions about any of the three criteria listed above please email the Health Information Technology team at healthit@hca.wa.gov
