

Washington State's Foundational Community Supports Program

SUPPORTIVE HOUSING

February 27, 2019

This report provides a month-by-month look at Medicaid clients enrolled in the Foundational Community Supports (FCS) Supportive Housing program, which began (along with the FCS Supported Employment program) in January 2018.

Note: This report describes the enrolled population for a given month and is not intended to be used for evaluation purposes.

ELIGIBILITY NOTES

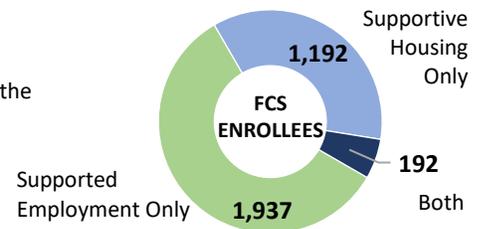

Eligibility for Supportive Housing. Medicaid clients age 18 years or older who: 1) have a mental health or substance use treatment need, 2) are receiving long-term services, or 3) have a complex physical health need and/or physical impairment AND meet one of the following criteria at the time of referral:

- Chronically homeless, as defined by the U.S. Housing and Urban Development.
- Had more than one contact with, or a stay longer than 90 days in, a correctional facility, inpatient treatment setting, hospital, skilled nursing facility, or other institutional setting in the past 12 months.
- Have a history of frequent or lengthy adult residential care facility stays.
- Had three or more different in-home caregiver providers in the last 12 months.
- Have a PRISM Risk Score of 1.5 or above.

FCS PROGRAM OVERLAP

In January 2019...

- 1,384 clients were enrolled in Supportive Housing, and 2,129 were enrolled in Supported Employment, including 192 clients enrolled in both. In total, 3,321 clients were enrolled in the Foundational Community Support Programs.

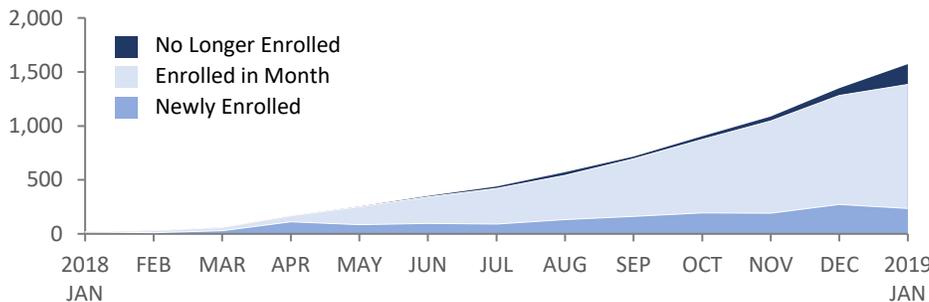

FCS SUPPORTIVE HOUSING ENROLLEE SUMMARY

In January 2019...

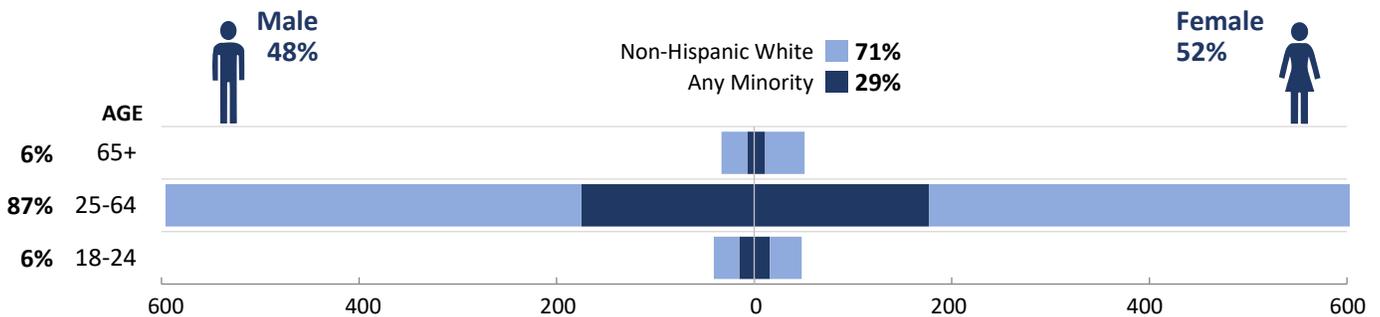

- 1,384 clients were currently enrolled in Supportive Housing, while 1,572 clients had been enrolled at least one month during the life of the program.

REFERENCES

- **HUD Chronic Homelessness Criteria.** Criteria can be met in two ways. For the **Lengthy criteria** an enrollee is determined to be experiencing 12 continuous months of homelessness within the past year. For the **Frequent criteria** an enrollee is determined to have experienced 4 episodes of homelessness over the past 3 years, which equal 12+ total months spent homeless. The Lengthy and Frequent criteria are not mutually exclusive. Note that the results are a proxy for the HUD criteria based on ACES data, and not Homeless Management Information System (HMIS).
- **PRISM risk score.** A risk score of 1.5 means the person's future medical expenditures are expected to be 50% higher than an average SSI disabled person. A change in PRISM risk score is not an appropriate measure for assessing the impact of the program.

ACA = Affordable Care Act | CHIP = Children's Health Insurance Program | CN = Categorically Needy | HEN = Housing and Essential Needs | HUD = Housing & Urban Development

SUPPORTIVE HOUSING - MENTAL HEALTH AND SUBSTANCE USE DISORDER

NOTES

Mental Health and Substance Use Disorder Notes.

- Mental Health (MH) and Substance Use Disorder (SUD) Treatment Need Indication and Services are based on Medicaid data only and therefor may be under represented for enrollees dually eligible for Medicaid and Medicare.
- *Month to month changes in Mental Health or Substance Use Disorder rates are due to client enrollment mix, and are not an appropriate indication of any impact of the program.*

SUPPORTIVE HOUSING - CARE ASSESSMENT

NOTES

CARE Assessment Notes.

- Comprehensive Assessment Reporting Evaluation (CARE) is the tool used by case managers to document a client's functional ability, determine eligibility for long-term care services, evaluate what and how much assistance a client will receive, and develop a plan of care.
- Mental Health and Substance Use Disorder Services are based on Medicaid data only and therefore may be under represented for enrollees dually eligible for Medicaid and Medicare.

CARE Assessment Detail

Note: month to month changes are due to client enrollment mix, not program impact.
