1	Location of attachments	<p>We're trying to complete the Action Plan, and it appears to have pick-lists or drop-down boxes that don't work in the PDF or Word documents.</p> <p>I recognize it is past the date to submit questions, but this was only evident after we realized yesterday's Word document is still inadequate. Thank you for your kind consideration.</p>	<p>Normally, we respond to questions by posting amendments, and not by individual responses. However, in this case, I wanted to send you a note, because the Word documents you are requesting are all posted in WEBS and have been referenced in the Amendments that we have been posting in WEBS. We also post the RFA and amendments on the HCA website, but that is an incomplete picture. To get all documentation and communication about changes, we strongly encourage all Applicants to sign up as a vendor in WEBS, as that is the state's procurement vessel of record, and you will have access to all of the communications and forms that we are referencing.</p>

2	Location of attachments	I am finalizing an application for the 2021HCA2 grant, but was curious if there is a specific template that you would like us to use for the Attachment A Application Face Page. In the RFA, the face page is described on page 21, but on the following page there is no content. Please let me know if there is a specific template or information you would like us to include, or if we should use a more generic face page.	Normally, we respond to questions by posting amendments, and not by individual responses. However, in this case, I wanted to send you a note, because the Word version of Attachment A Application Face Page, along with Word versions of Attachment B-3 (Funding Source Packet for Applicant Type A) and Attachment B-4 (Funding Source Packet for Applicant Type B) are all posted in WEBS. We strongly encourage all Applicants to sign up as a vendor in WEBS, as that is the state's procurement vessel of record, and you will have access to all of the communications and forms that we are referencing in the RFA.
