Voluntary Benefit Package Selection Assurances - Eligibility Group under Section 1902(a)(10)(A)(i)(VIII) of the Act

The state/territory has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state’s approved Medicaid state plan that is not subject to 1937 requirements. Therefore the state/territory is deemed to have met the requirements for voluntary choice of benefit package for individuals exempt from mandatory participation in a section 1937 Alternative Benefit Plan.

Explain how the state has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state’s approved Medicaid state plan that is not subject to 1937 requirements.

Washington State’s Medicaid State Plan includes the same coverage of the Essential Health Benefit (EHB) preventive services, including the federal definition of minimum coverage for the EHB.

Selection of Benchmark Benefit Package or Benchmark-Equivalent Benefit Package

Select one of the following:
- [ ] The state/territory is amending one existing benefit package for the population defined in Section 1.
- [x] The state/territory is creating a single new benefit package for the population defined in Section 1.

Name of benefit package: Alternative Benefit Plan 1

Selection of the Section 1937 Coverage Option

The state/territory selects as its Section 1937 Coverage option the following type of Benchmark Benefit Package or Benchmark-Equivalent Benefit Package under this Alternative Benefit Plan (check one):
- [x] Benchmark Benefit Package.
- [ ] Benchmark-Equivalent Benefit Package.

The state/territory will provide the following Benchmark Benefit Package (check one that applies):
- [ ] The Standard Blue Cross/Blue Shield Preferred Provider Option offered through the Federal Employee Health Benefit Program (FEHBP).
- [ ] State employee coverage that is offered and generally available to state employees (State Employee Coverage):
- [ ] A commercial HMO with the largest insured commercial, non-Medicaid enrollment in the state/territory (Commercial HMO):
- [x] Secretary-Approved Coverage.
- [ ] The state/territory offers benefits based on the approved state plan.
- [x] The state/territory offers an array of benefits from the section 1937 coverage option and/or base benchmark plan benefit packages, or the approved state plan, or from a combination of these benefit packages.
  - [ ] The state/territory offers the benefits provided in the approved state plan.
  - [x] Benefits include all those provided in the approved state plan plus additional benefits.
  - [ ] Benefits are the same as provided in the approved state plan but in a different amount, duration and/or scope.
  - [ ] The state/territory offers only a partial list of benefits provided in the approved state plan.
  - [ ] The state/territory offers a partial list of benefits provided in the approved state plan plus additional benefits.

Please briefly identify the benefits, the source of benefits and any limitations:

All benefits in the recently revised State Plan (approvals for revisions that reflect necessary changes were completed by 07/01/2015) are covered in the Alternative Benefit Plan.

Habilitation services beyond those found in the State Plan are being provided in this ABP.

Selection of Base Benchmark Plan

Alternative Benefit Plan

The state/territory must select a Base Benchmark Plan as the basis for providing Essential Health Benefits in its Benchmark or Benchmark-Equivalent Package.

The Base Benchmark Plan is the same as the Section 1937 Coverage option. ☐ No

Indicate which Benchmark Plan described at 45 CFR 156.100(a) the state/territory will use as its Base Benchmark Plan:

☐ Largest plan by enrollment of the three largest small group insurance products in the state's small group market.

☐ Any of the largest three state employee health benefit plans by enrollment.

☐ Any of the largest three national FEHBP plan options open to Federal employees in all geographies by enrollment.

☐ Largest insured commercial non-Medicaid HMO.

Plan name: Regence Innova

Other Information Related to Selection of the Section 1937 Coverage Option and the Base Benchmark Plan (optional):

The State assures that all services in the base benchmark have been accounted for throughout the benefit chart found in ABP5. The State assures the accuracy of all information in ABP5 depicting amount, duration, and scope parameters of services authorized in the currently approved Medicaid State Plan.

The Base Benchmark Plan for the Medicaid ABP is the same plan selected for the Washington State Health Benefit Exchange Qualified Plan base benchmark.

Benefits Assurances

EPSDT Assurances

If the target population includes persons under 21, please complete the following assurances regarding EPSDT. Otherwise, skip to the Prescription Drug Coverage Assurances below.

The alternative benefit plan includes beneficiaries under 21 years of age.  

☐ The state/territory assures that the notice to an individual includes a description of the method for ensuring access to EPSDT services (42 CFR 440.345).

☐ The state/territory assures EPSDT services will be provided to individuals under 21 years of age who are covered under the state/territory plan under section 1902(a)(10)(A) of the Act.

Indicate whether EPSDT services will be provided only through an Alternative Benefit Plan or whether the state/territory will provide additional benefits to ensure EPSDT services:

☐ Through an Alternative Benefit Plan.

☐ Through an Alternative Benefit Plan with additional benefits to ensure EPSDT services as defined in 1905(r).

Other Information regarding how ESPDT benefits will be provided to participants under 21 years of age (optional):

Consistent with the provisions of Attachment 3.1-A and 3.1-B of the current State Plan.

Prescription Drug Coverage Assurances

☐ The state/territory assures that it meets the minimum requirements for prescription drug coverage in section 1937 of the Act and implementing regulations at 42 CFR 440.347. Coverage is at least the greater of one drug in each United States Pharmacopeia (USP) category and class or the same number of prescription drugs in each category and class as the base benchmark.

☐ The state/territory assures that procedures are in place to allow a beneficiary to request and gain access to clinically appropriate prescription drugs when not covered.

☐ The state/territory assures that when it pays for outpatient prescription drugs covered under an Alternative Benefit Plan, it meets the requirements of section 1927 of the Act and implementing regulations at 42 CFR 440.345, except for those requirements that are directly contrary to amount, duration and scope of coverage permitted under section 1937 of the Act.

☐ The state/territory assures that when conducting prior authorization of prescription drugs under an Alternative Benefit Plan, it complies with prior authorization program requirements in section 1927(d)(5) of the Act.

Other Benefit Assurances

☐ The state/territory assures that substituted benefits are actuarially equivalent to the benefits they replaced from the base benchmark plan, and that the state/territory has actuarial certification for substituted benefits available for CMS inspection if requested by CMS.

☐ The state/territory assures that individuals will have access to services in Rural Health Clinics (RHC) and Federally Qualified Health Centers (FQHC) as defined in subparagraphs (B) and (C) of section 1905(a)(2) of the Social Security Act.
Alternative Benefit Plan

☑ The state/territory assures that payment for RHC and FQHC services is made in accordance with the requirements of section 1902(bb) of the Social Security Act.

☑ The state/territory assures that it will comply with the requirement of section 1937(b)(5) of the Act by providing, effective January 1, 2014, to all Alternative Benefit Plan participants at least Essential Health Benefits as described in section 1302(b) of the Patient Protection and Affordable Care Act.

☑ The state/territory assures that it will comply with the mental health and substance use disorder parity requirements of section 1937(b)(6) of the Act by ensuring that the financial requirements and treatment limitations applicable to mental health or substance use disorder benefits comply with the requirements of section 2705(a) of the Public Health Service Act in the same manner as such requirements apply to a group health plan.

☑ The state/territory assures that it will comply with section 1937(b)(7) of the Act by ensuring that benefits provided to Alternative Benefit Plan participants include, for any individual described in section 1905(a)(4)(C), medical assistance for family planning services and supplies in accordance with such section.

☑ The state/territory assures transportation (emergency and non-emergency) for individuals enrolled in an Alternative Benefit Plan in accordance with 42 CFR 431.53.

☑ The state/territory assures, in accordance with 45 CFR 156.115(a)(4) and 45 CFR 147.130, that it will provide as Essential Health Benefits a broad range of preventive services including: “A” and “B” services recommended by the United States Preventive Services Task Force; Advisory Committee for Immunization Practices (ACIP) recommended vaccines; preventive care and screening for infants, children and adults recommended by HRSA’s Bright Futures program/project; and additional preventive services for women recommended by the Institute of Medicine (IOM).

Managed Care Options

Managed Care Assurance

- The state/territory certifies that it will comply with all applicable Medicaid laws and regulations, including but not limited to sections 1903(m), 1905(o), and 1932 of the Act and 42 CFR Part 438, in providing managed care services through this Alternative Benefit Plan. This includes the requirement for CMS approval of contracts and rates pursuant to 42 CFR 438.6.

Managed Care Implementation

Please describe the implementation plan for the Alternative Benefit Plan under managed care including member, stakeholder, and provider outreach efforts.

A review of the benefits under the ABP has been provided to the managed care plans and additional meetings to discuss implementation were conducted. We worked with the plans to develop member and provider communication, including HCA's client and provider communication webpages. In addition we revised our Washington State Administrative Code (WAC) and Provider Guides, as indicated, to reflect the new benefits changes which convey our new related policies. This information is available to our stakeholders and members.

MCO: Managed Care Organization

The managed care delivery system is the same as an already approved managed care program.

The managed care program is operating under (select one):

PIHP: Prepaid Inpatient Health Plan

The managed care delivery system is the same as an already approved managed care program.

The managed care program is operating under (select one):

☐ Section 1915(a) voluntary managed care program.
☐ Section 1915(b) managed care waiver.
☐ Section 1115 demonstration.
☐ Section 1937 Alternative (Benchmark) Benefit Plan state plan amendment.

Identify the date the managed care program was approved by CMS: Oct 1, 2012

Describe program below:
This program covers all medically necessary inpatient psychiatric care and comprehensive outpatient mental health services as described in the State Plan Attachments 3.1-A and 3.1-B. Recipients of these services exhibit a severity of illness which meets the Access to Care Standards (approved in the October 2012 SPA) and qualifies them for mental health services under this program. Clients who do not meet the Access to Care Standards OR who have been stabilized having received mental health services provided under this program, have access to additional, unlimited mental health services and a range of mental health professionals (psychiatrists, psychiatric ARNPs, psychologists, licensed mental health counselors, licensed social workers, and licensed marriage and family therapists) under the ABP State plan 1932 benefits and services and administered by the Managed care plans and the fee-for-service programs. As a client's behavior health condition deteriorates or improves a client can seek and receive services in the most appropriate program available under these programs.

Additional Information: PIHP (Optional)

PCCM: Primary Care Case Management

The PCCM delivery system is the same as an already approved PCCM program.

The PCCM program is operating under (select one):

☐ Section 1915(b) managed care waiver.
☐ Section 4092(a) mandatory managed care state plan

Supersedes TH#14-0044

Effective Date

Alternative Benefit Plan

☐ Section 1115 demonstration.

☐ Section 1937 Alternative (Benchmark) Benefit Plan state plan amendment.

Identify the date the managed care program was approved by CMS: Apr 12, 2012

Describe program below:

Primary Care Case Management (PCCM) is a program in which clients can voluntarily enroll if they live in Clallam, Ferry, Grant, Grays Harbor, King, Kitsap, Lincoln, Okanogan, Pacific, Pierce, Snohomish, Spokane, Stevens, Whatcom or Yakima County.

PCCM services are only available through tribal clinics and Urban Indian Health Centers (IHCs) and serve only American Indian and Alaska Native adults and children, and female non-Native TANF clients if they are pregnant with a child whose father is an American Indian or Alaska Native.

Recipients can choose to receive their health care services through the PCCM program, a managed care plan, or the fee-for-service (FFS) program. When a client is enrolled with a managed care plan, there are some services that are "carved out" and covered by the FFS plan in order to assure access to all the benefits and services in the State Plan. See attachment for the list of these "carved out" services. Enrollees can disenroll from PCCM at any time.

Available services include all services described in the approved State Plan, as well as case management and care coordination services. While the PCCM clinics provide and coordinate all covered health care services, services are paid for through the applicable fee-for-service program, community mental health program or chemical dependency program, as indicated.

Additional Information: PCCM (Optional)

Provide any additional details regarding this service delivery system (optional):

Fee-For-Service Options

Indicate whether the state/territory offers traditional fee-for-service and/or services managed under an administrative services organization:

☐ Traditional state-managed fee-for-service

☐ Services managed under an administrative services organization (ASO) arrangement

Please describe this fee-for-service delivery system, including any bundled payment arrangements, pay for performance, fee-for-service care management models/non-risk, contractual incentives as well as the population served via this delivery system.

The fee-for-service program (FFS) covers services for those members of New Adult section VIII group who are not enrolled in the managed care organization program.

Examples of clients remaining in fee-for-service are: those with Medicare; those with third party coverage (another commercial health care coverage), those who qualify for the emergency undocumented alien coverage; those who live in the counties where managed care enrollment is mandatory and have been approved to opt out of managed care; those clients who live in counties where managed care is not mandatory, Skamania and Klickitat counties; those whose managed care enrollment period has not yet started; and in general, anyone who isn't enrolled in a managed care plan will be covered under FFS are not yet enrolled into managed care.

In addition, when a client is enrolled with a managed care plan, there are some services that are "carved out" and covered by the FFS plan in order to assure access to all the benefits and services in the State Plan.

Chemical dependency services are also offered to clients on a FFS basis in all parts of the state.

Reimbursement methodologies for services are those approved in the State Plan Attachments 3.1-A, 3.1-B, and 4.

**Alternative Benefit Plan**

**Employer Sponsored Insurance and Payment of Premiums**

The state/territory provides the Alternative Benefit Plan through the payment of employer sponsored insurance for participants with such coverage, with additional benefits and services provided through a Benchmark or Benchmark-Equivalent Benefit Package.

The state/territory otherwise provides for payment of premiums.

**Other Information Regarding Employer Sponsored Insurance or Payment of Premiums:**

For a Medicaid client who receives coverage in a health plan in the individual market through the state’s approved Medicaid state plan that provides premium assistance under section 1905(a) and regulations codified at 42 CFR §435.1015, the state assures that the Medicaid client will receive a benefit package that includes a wrap of benefits around the individual market health plan that equals the benefit package to which the client is entitled. The client will not be responsible for payment of premiums or other cost sharing that exceeds nominal levels as established at 42 CFR part 447 subpart A.
