Date: June 15, 2022  
Subject: Appointment opportunity for the Health Technology Clinical Committee

The Washington State Health Care Authority (HCA) is seeking candidates for membership to the [Health Technology Clinical Committee \(HTCC\)](#). HCA seeks a range of practitioner types and specialties.

The first review of applications is scheduled for **August 10, 2022**.

**To apply:**

Submit the following to the Health Technology Assessment (HTA) program ([shtap@hca.wa.gov](mailto:shtap@hca.wa.gov)):

- A completed [application](#)
- [Conflict of interest disclosure](#)
- Current curriculum vitae/resume

**Background**

The HTCC was established to make coverage determinations for selected health technologies based on the available scientific evidence. The determinations of the HTCC are followed by state purchased health care programs including Medicaid, Uniform Medical Plan and the Department of Labor and Industries.

**Overview of the role**

- The HTCC is an independent committee of eleven practicing health care providers.
- The committee meets approximately six times per year to review evidence-based assessments of health technologies. Members assess information presented by independent technology assessment organizations, representatives of state agencies, and the public before reaching a coverage determination.
- HTCC members are appointed to three-year terms by the Director of the Health Care Authority. Members may serve two additional terms.
- Compensation includes an hourly fee and reimbursement for travel expenses.
- Legislation authorizing the HTCC also provides personal indemnification related to participation on the committee.

**Requirements**

- Active practitioner, licensed in Washington State;
- Knowledge of evidence-based medicine, including experience, training, or education focused on fields relevant to evidence-based medicine;
- Use of health technology in scope of medical practice; and
- No substantial financial conflicts of interest (such as, interest in a health technology company, holding stock options, receipt of honoraria, or consultant fees).
