4.	Director's Update <ul style="list-style-type: none"> General update Legislative issues 	10:15 a.m.	Melodie Pazolt	New DBHR asst. director Keri Waterland will start in May. Went over the high volume of behavioral health related bills under consideration this legislative session. Discussed ITA bill in detail, as requested by Exec. committee. It would integrate MH and SUD in expanding time periods an individual could be held involuntarily, expanding minimums from 72 hours to five days and potentially divert from the maximum of 14 days. Becky reminded the group to address any communications to legislators as an individual and not as a representative of BHAC. <u>Jorden</u> asked about incarceration issues that disproportionately impact MH-involved individuals. Melodie went over bill info and
