Kristen Wells w Alkosh

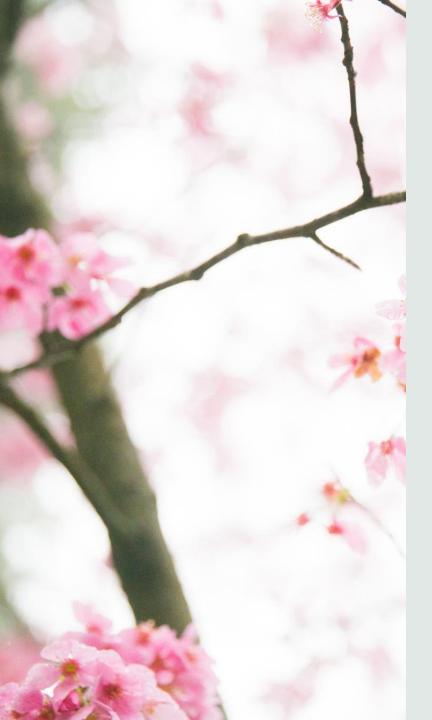

Representing LIVED EXPERIENCE on CRIS

- I manage multiple health conditions.
- I grew up with a sibling designated as 'Seriously Emotionally Disturbed"
 - My husband has chronic suicide ideation.
- I am a social worker who fights to represent my clients' rights.

Meeting Invitation Updates

- Kristine Malana, Senior Consultant at Health Management Associates will be taking over from Brittany Thompson, starting in April.
- Brittany will be cancelling her meeting holds/invitations, so that Kristine can send new ones for future meetings.
- We appreciate your patience as we transition.
- Thank you!

What is CRIS

- 2020 Fed 988 bill leads to formation of CRIS
- CRIS: Crisis Response Improvement Strategy established 2021 via HB 1477
- Focus on 3 pillars as per SAMHSA
 - Someone to Call
 - Someone to Come
 - Safe Place to Be
- 38 members including 4 representing LE
- Subcommittees: Multiple including LE. All have people with LE on them.
- Work of CRIS sent as a report to legislators and Governor's office end of each year since 2021.

Overview of HB 1477 Steering Committee, CRIS Committee, and Subcommittees

The Steering Committee – with input from the CRIS and Subcommittees – is charged to deliver to the Governor and Legislature recommendations related to funding and delivery of an integrated behavioral health crisis response and suicide prevention system in Washington.

Steering Committee

Role: Make Recommendations to the Governor and Legislature

CRIS Committee

Role: Advise the Steering Committee as it formulates recommendations

Subcommittees

Role: Provide professional expertise and community perspectives on discrete topics*

Tribal 988*	Credentialing and Training*	Technology*	Cross-System Collaboration*	Confidential Information*	Rural & Agricultural Communities	Lived Experience	988 Geolocation**
-------------	--------------------------------	-------------	--------------------------------	------------------------------	--	---------------------	----------------------

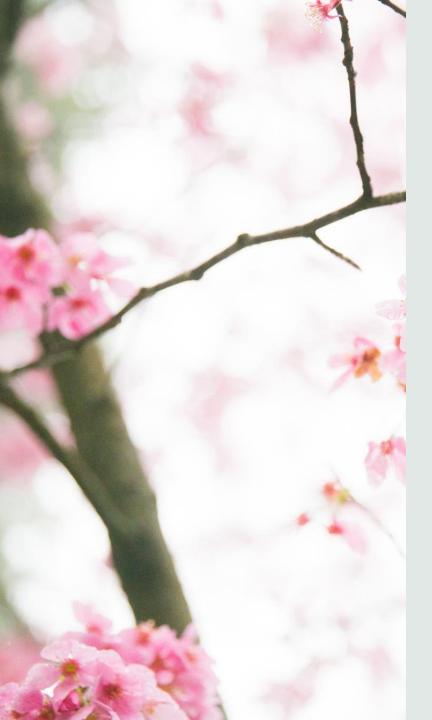

^{*} Six of the eight subcommittees are established by legislation . The Steering Committee established two additional subcommittees: Lived Experience and Rural & Agricultural Communities

^{**} The Geolocation Subcommittee is expected to be convened in 2024.

LIVED EXPERIENCE (LE) SUBCOMMITTEE

- Keep community updated on what is going on in the CRIS
- Empower people with LE to share their stories to identify system gaps and make suggestions on ways to address them.
- Inputs are shared with CRIS
- LE directly speak to agencies like DOH, HCA,
 Legislators when they can come, and other agencies that are executing the build out of the system
- Share your stories directly at the CRIS mtgs

LE MEETING FLOW & HOW TO PARTICIPATE

Every lived experience story and perspective is valuable. We see the vulnerability it takes to share your tender experiences. The meeting is divided into 2 segments:

- 1) Presentations & discussions related to specific topics with time to interact w presenter. Please keep your questions and comments on topic while in this portion of the meeting. To honor everyone who attends we may need to interrupt and ask you to hold off topic comments/ questions until later in the meeting.
- 2) Open discussion so we can give your stories our full attention and respect. All stories, comments, and questions not related to agenda topics are welcome during this portion

Washington Speaks ARE YOU INTERESTED IN?

- Sharing your story with the CRIS or CRIS Steering Committee?

LE STORIES PROJECT TO INFORM SYSTEMS IMPROVMENT

- Anyone who has come in contact with the Behavioral Health Crisis system within the last 2 years will be able to participate.
- Want people to have options to submit stories in writing, recorded verbally, or live verbally depending on their needs.
- Hope to compensate participants for their time and emotional labor.
- Engage in outreach to communities who we might not otherwise hear from.
- Project team focusing on developing specifics about prompts to gather stories, orgs to partner with for outreach to communities to gather stories effectively.

Lived Experience Stories to Drive System Improvements – Updated Process

QUESTIONS & DISCUSSION

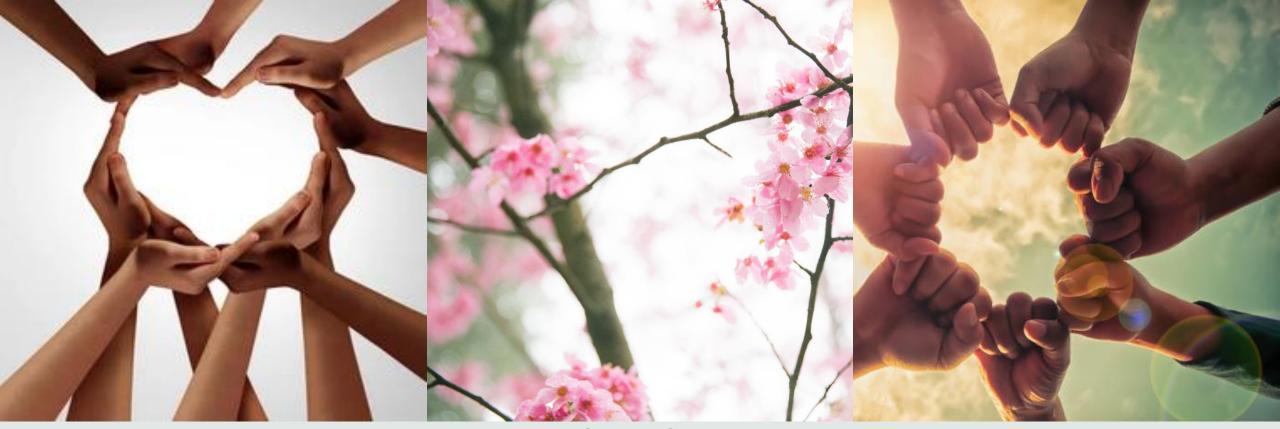

Choirs use staggered breathing when it is impossible for each individual singer to get through the sustained note or phrase without running out of breath. Singers in the same part take short breaths at different times to create the illusion that the overall sound created by the choir is one single unbroken line.

How we stay hopeful
