

WASHINGTON BEHAVIORAL HEALTH CRISIS STORIES PROJECT

The Lived Experience Subcommittee is seeking ways to deepen our work to elevate lived experience stories to inform Crisis Response Improvement Strategy (CRIS) Committee recommendations for improvements to the Behavioral Health Crisis System in Washington.

Share your story with us.

- Have you had a behavioral health crisis in the last two years and had to interact with a system meant to support you through it?
- Sharing your experience can help us identify system gaps, improvements, and successes.
- \$25 gift card will be offered in appreciation for your participation.
- Scan the QR Code for our submission page.
- Contact Kristine Malana at Kmalana@healthmanagement.com or at (213) 633-7593 for any questions
