<u>Agenda Item</u>	<u>Discussion and Outcomes</u>	<u>Action to be taken by whom, when</u>
<p>Review & Discuss Section II of Implementation Plan</p>	<p>Kathy and Nate led a review of the Action Information Matrix that has been developed by the WISE Quality Assurance Plan Subcommittee.</p> <p>It was suggested to add “inpatient hospital” to the “Referral Recommended” Section of the CANS screen.</p> <p>A question was asked about how data entered into the BHAS system will be validated.</p> <p>Tina Burrell accepted a new position as WISE lead – to oversee all activities associated with WISE implementation.</p>	<p>Kathy will take to next CANS algorithm meeting.</p> <p>Katie and Kathy will explore this issue further in the context of the existing DBHR QI structures.</p>
<p>QAP Linkages <i>How is information from this meeting shared with partner agencies/stakeholders?</i></p>	<p>Kathy, Barb and Bridget described sharing committee activities with the statewide FYSPRT (Family, Youth, System Partner Roundtable)</p> <p>CA has a communication and education plan with DBHR which includes data reviewed by this committee. The question was raised as to whether this was the best forum for cross-system quality concerns. At this time no option was identified. Will continue to assess.</p>	
<p>Update on Measures of Statewide Performance</p>	<p>Barb and Bridget presented drafts of a Population Reference Table and Figure to be the first section of the Measures of Statewide Performance – making it clear the overall population of Medicaid children and youth ages 5-20 and those with behavioral health needs. Drafts of a revised section on inpatient stays and length of stays were also presented.</p>	<p>Committee members gave suggestions for enhancements. These data will be included in the annual updated of the Measures of Statewide Performance.</p>
