

Summary of changes between version 3.1 and 4.0:

Designated Crisis Responder (DCR) transaction changes

- 1) In the DCR investigation transaction (160.05), in the “investigation referral source” data element, changed drop down value “10” to “referral from MCR to DCR”, to link Mobile Crisis Response to a Designated Crisis Responder if that is the referral outcome of the MCR encounter. Also in that element, added drop down value “11” to represent “Other”.

Mobile crisis response (MCR) transaction

- 2) Added the new Mobile Crisis Response Transaction, Section 165.01 in support of the Trueblood settlement for Phase 1 regions in the state.

Spelling and formatting

- 3) Minor spelling and formatting changes made throughout the document.
