<b>Washington State</b>	<b>31,082</b>	<b>84.4%</b>	<b>5,733</b>	<b>15.6%</b>	<b>36,815</b>	<b>46%</b>	<b>80,819</b>

Except where otherwise noted, % refers to % of women with Medicaid-Paid Maternity Care. As of 2014, records do not include out-of-state deliveries to Washington residents because birth certificates for states other than Washington were not available for record linkage. State total includes a small number of women for whom residence ACH could not be determined.
