Women were defined as Medicaid cases if they had either identified Medicaid-paid maternity care, maternity care encounter, or at least three months of capitated payments in the six months prior to delivery. 'Managed Care' over time includes Apple Health, Fully Integrated Managed Care, Healthy Options, Basic Health, The Washington Medicaid Integration Project (managed care for SSI or SSI-related Medicaid clients in Snohomish County who are 21 years of age or older), Native Health Primary Care Case Mgmt (PCCM), and the GAU Managed Care Pilot (King and Pierce).
