

Join Us: Share your voice about Medicaid in schools!

We want to hear from families, parents, caregivers, and students

Help improve access to Medicaid (Apple Health) services in schools. Health Care Authority (HCA) and Office of Superintendent of Public Instruction (OSPI) invite you to two important feedback sessions. Learn about expanding Medicaid reimbursement in schools and share your thoughts!

Feedback sessions

Session 1: General feedback session

-  **When:** Wednesday, February 26
4:00 to 5:30 p.m. (via Zoom)
-  **Who should attend:** Families and students interested in learning more about Medicaid expansion in schools and sharing their feedback.
-  **Register:** For [2/26 Zoom Meeting](#)

Session 2: School-Based Behavioral Health & Suicide Prevention Subcommittee

-  **When:** Wednesday, March 5
3:00 to 4:30 p.m. (via Zoom)
-  **Who should attend:** Families and students interested in behavioral health and suicide prevention in schools.
-  **Register:** For [3/5 Zoom Meeting](#)

Hosted by the School-Based Behavioral Health and Suicide Prevention Subcommittee (SBBHSP), part of the Children and Youth Behavioral Health Work Group (CYBHWG). [Learn more about the SBBHSP.](#)

Why your voice matters

- ▶ Help shape how Medicaid services are offered in schools.
- ▶ Share your experiences and ideas.
- ▶ Ask questions and learn how these changes may affect you and your school.

 For more information and materials, visit the [HCA School-Based Services page](#).
