Medicaid-Paid Maternity Care indicates paid claims or encounters for prenatal care and/or delivery, or at least 3 months of capitation in the 6 months prior to delivery. NTSV = Nulliparous, Term, Single, Vertex. LCL = Lower 95% Confidence Limit. UCL = Upper 95% Confidence Limit. Aggregated race/ethnicity categories due to small numbers. Hispanic women may be of any race. **Non-Hispanic Other** includes Non-Hispanic Black, Non-Hispanic American Indian/ Alaska Native, Non-Hispanic Native Hawaiian/Other Pacific Islander, Non-Hispanic More than one race. **Rates** calculated from small numbers may be unstable. Caution should be used when interpreting rates based on small numbers. -- = Suppressed due to small numbers.
