The bill language that outlines the tasks of this group follows:

HB 2779 Sec. 9.

(1) The department of social and health services must convene an advisory group of stakeholders to review the parent-initiated treatment process authorized by chapter 71.34 RCW.25. The advisory group must develop recommendations regarding:

- (a) The age of consent for the behavioral health treatment of a minor;
- (b) Options for parental involvement in youth treatment decisions;
- (c) Information communicated to families and providers about the parent-initiated treatment process; and
- (d) The definition of medical necessity for emergency mental health services and options for parental involvement in those determinations.

(2) The advisory group established in this section must review the effectiveness of serving commercially sexually exploited children using parent-initiated treatment, involuntary treatment, or other treatment services delivered pursuant to chapter 71.34 RCW

(3) By December 1, 2018, the department of social and health services must report the findings and recommendations of the advisory group to the children's mental health work group established in section 2 of this act.
