RFP- 2025HCA2 - Interpreter Services Coordinating Entity - Spoken Language	
Bidder Questions	HCA Answers
I'm reviewing the recent RFP for spoken language interpreting services, and I had a question regarding signed language services. Could you clarify whether there will be a separate RFP for signed language interpreting, or should those services be included as part of our proposal offerings for this RFP?	Sign Language Interpreting Services are not part of the 2025HCA2-Interpreter Services Coordinating Entity - Spoken Language Request for Proposals (RFP). Sign language services should not be included as part of a proposal for this RFP.
