

Connect, Communicate, and Collaborate with SmartHealth

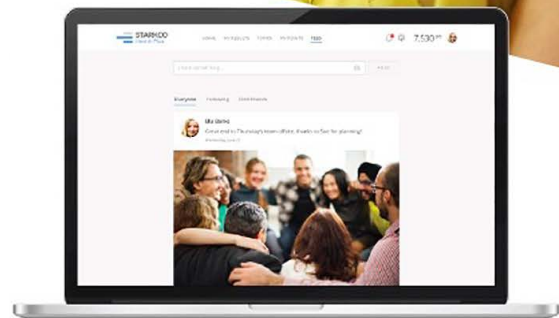

Invite others to join you for a walk at lunch! Share a photo of your team! Say thank you for a job well done!

Introducing SmartHealth Community, a new forum for employees to connect, communicate, and collaborate that is part of the SmartHealth platform you use today.

“SmartHealth Community” is a social network with a purpose. We’re excited to introduce it to the state of Washington employees.

- Your SmartHealth Team

Supporting you on your journey toward living well

It is easy to get started:

1. Go to <https://smarthealth.hca.wa.gov>.
2. Click on the new “Feed” link on the home page menu.
3. Set up your profile.
4. Start posting and sharing.

Join SmartHealth

Community today!
