Dear Ms. Lindeblad:

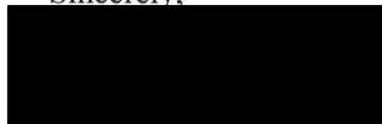

The Centers for Medicare & Medicaid Services (CMS) is issuing technical corrections to Washington State's section 1115(a) demonstration titled, "Medicaid Transformation Project" (MTP) (Project Number 11-W-00030/1), which was approved on January 9, 2017 under the authority of section 1115(a) of the Social Security Act ("the Act"). The technical corrections ensure that the Special Terms and Conditions (STC) reflect how the state is currently operating its demonstration.

Changes made include correcting the numbering throughout the STCs, updating cross references and various other non-substantial edits intended to correct and clarify. CMS has also approved updates to the State's Substance Use Disorder (SUD) Implementation Plan.

If you have any questions, please do not hesitate to contact your project officer, Mr. Eli Greenfield. Mr. Greenfield can be reached at (410) 786-6157, or at Eli.Greenfield@cms.hhs.gov.

We look forward to continuing work with your staff on the administration of Washington's section 1115(a) demonstration.

Sincerely,

Angela D. Garner
Director
