

SUPPORTED EMPLOYMENT

This report provides a month-by-month look at Medicaid clients enrolled in the Foundational Community Supports (FCS) Supported Employment program, which began (along with the FCS Supportive Housing program) in January 2018.

ELIGIBILITY

Eligibility for Supported Employment. Medicaid clients age 16 years or older who: 1) have a mental health or substance use treatment need, or 2) are receiving long-term services AND meet one of the following criteria at the time of referral:

- Are referred to the Housing and Essential Needs program or enrolled in the Aged, Blind and Disabled program.
- Experienced multiple episodes of inpatient substance use treatment over the past two years.
- Engage in behaviors that may result in expulsion from school or termination from employment that can be attributed to a behavioral health condition.
- Are unable to find and maintain employment due to age, physical disability, or traumatic brain injury.

HIGHLIGHTS

As of July 2018...

- 818 clients were currently enrolled, while 834 clients had been enrolled at least one month during the life of the program.
- The majority (83%) of enrollees were from two Medicaid Eligibility Groups: CN Blind/Disabled (38.8%) and ACA Expansion Adults (44.1%).
- Of the 818 Supported Employment enrollees, 3.3% (27 clients) were also enrolled in the FCS Supportive Housing program.
