<td>During the tribal consultation on 11/17/2015, DSHS and HCA affirmed the State’s commitment to the development of a tribal centric behavioral health system that better serves the needs of tribes and their members. To achieve this goal and address the issues raised during the tribal consultation process, HCA and DSHS committed to compiling a grid of issues raised and working with the parties identified on page 10 in Section 1.4 of the State Plan (TN#11-25), to populate the grid with proposed solutions, analyses of how to achieve the proposed solutions, mitigation strategies for the interim, and timeframes for achieving the proposed solutions—with mutual understanding that some proposed solutions may require federal or statutory changes.</td>

1915(b) Waiver — Tribal Sections

The State is asking for Tribal consensus on how the 1915(b) waiver should include AI/ANs:

1. Carve-Out AI/AN for BHO SUD only
   - AI/AN carved out for BHO SUD, carved in for BHO MH
   - No change from the situation today

2. No AI/AN Carve-Out for the Waiver
   - AI/AN covered by BHO for both MH and SUD

Note: The State cannot support a full carve-out of AI/ANs from the 1915(b) Waiver, as the State will require at least a year to create a fee-for-service program for Medicaid mental health.
Thank you!
