

UMP Preferred Drug List Changes

(applies to UMP Classic, UMP CDHP, and UMP Plus)

Below is a list of anticipated changes to medications on the *UMP Preferred Drug List*. The list below does not contain every anticipated change to the *UMP Preferred Drug List* and only contains changes which may adversely impact members. **This list does not contain any anticipated changes that may positively impact members.** We have made every effort to include every anticipated change that may adversely affect members in the list below, but changes including but not limited to the release of new generic drugs could result in additional tier level changes or other changes to the *UMP Preferred Drug List*.

This list of anticipated changes applies to members enrolled in any UMP plan: UMP Classic, UMP CDHP, and UMP Plus. Tier change listings are not applicable to UMP CDHP cost-shares.

For questions, please contact Washington State Rx Customer Service at 1-888-361-1611.

Drug Name	Current Status	Effective 9/1/2016	Less expensive alternative(s)*
Tier changes: When a drug changes tiers on the <i>UMP Preferred Drug List</i> , the out-of-pocket cost that you pay will change depending on its new tier placement. You may also need to pay a prescription drug deductible for medications in Tier 2 and Tier 3 depending on your health plan.			
Hydrocortisone suppositories	Not covered	Tier 1	
Removing quantity level limits: Some drugs have limits to how much you can get per prescription or refill.			
Xarelto	60 tablets per 30 days	No quantity level limit	
Savaysa	30 tablets per 30 days	No quantity level limit	

***Less Expensive Alternative:** This column shows some less expensive alternative(s). Drugs listed under Less Expensive Alternative may not include every available less expensive alternative. Please contact Washington State Rx Services, your pharmacist or prescriber for a complete list.
