

Weighing treatment options for severe chronic joint or back pain?

Uniform Medical Plan (UMP) and Premera Blue Cross have teamed up to offer a Centers of Excellence Program for eligible UMP Classic and UMP CDHP members

The Centers of Excellence Program difference

UMP already provides coverage for eligible members for knee and hip replacements and spine care. So, what's different about the Centers of Excellence (COE) Program?

The COE Program contracts with providers who specialize in treating certain medical conditions. These providers are named Centers of Excellence because they have proven their ability to provide exceptional service with successful results for patients with those conditions.

The COE Program currently includes:

- **Capital Medical Center** (Olympia) – for spine care. Capital has a history of serving state employees. It is owned and operated by RCCH HealthCare Partners, a national leader in the delivery of high-quality, compassionate care in non-urban communities.
- **Virginia Mason** (Seattle) – for knee and hip replacement and spine care. Virginia Mason is recognized as one of the nation's best healthcare facilities. Its network of primary and specialty care medical centers offers superior treatment results.

If eligible for the COE Program, you will get to choose where you receive services (depending on the procedure).

COE Program eligibility

Currently, you can take part in the COE Program if you:

- Have UMP Classic or UMP CDHP as your primary health coverage;
- Are not currently (nor at time of treatment) enrolled in Medicare as your primary coverage;
- Are age 18 or older; and
- Can arrange for a family member or friend to act as your care companion.**

If you are not eligible for or do not choose to participate in the COE Program, other UMP benefits are available to you.

Find out more about the COE Program

Visit premera.com/hca or call **1-855-784-4563** (TTY: 1-800-842-5357)

Premera's concierge team is a group of specially trained case managers and customer service representatives. The team can talk to you about your eligibility, covered services, requirements, any costs associated with this benefit,* and the assistance available throughout your entire COE experience.

What's included in the COE Program*

Eligible members, who meet medical and other criteria, can receive their treatment at low to no cost.

The COE Program includes:

- **Hospitalization and surgery**, including anesthesia.
- **All inpatient care.**
- **Post-surgical assessments**, such as your discharge visit.
- **Lodging expenses** at select hotels near your COE.
- **Travel costs** within Washington may be covered or partially reimbursed if you need to travel more than 60 miles to your COE.
- **Concierge team** to assist you.

Visit your provider

If you're having knee, hip, or back pain, see your regular healthcare provider. If you and your provider agree that surgery might be an option for you, contact Premera to find out about your knee and hip replacement or spine care benefit through the COE Program.

*UMP CDHP members must meet their deductible before the plan begins to pay for services.

**A care companion should be: 18 years of age with a valid driver's license; mentally aware and capable of remembering care instructions; physically capable of bending, lifting, squatting, and walking approximately two blocks to travel to appointments and pick up prescriptions; and able to dedicate time toward your recovery, including staying in the hospital during surgery and recovery and dedicating at least a week of in-home care for you after surgery.
